Dear Mr. Brown:

The above-referenced public drinking water system has violated certain provisions of the Safe Drinking Water Act (SDWA), 42 U.S.C. § 300f, et seq. and the National Primary Drinking Water Regulations at 40 C.F.R. part 141. The violations consist of failure to monitor for total coliform; failure to collect repeat total coliform samples after a positive result; failure to collect additional routines the month following a positive total coliform result; failure to monitor nitrate; failure to provide public notice of the violations; and failure to notify the State of the violations. Our records obtained from the Utah Department of Environmental Quality (DEQ) indicate the violations noted below. Please notify Gina Andrews at (303) 312-6688, or (800) 227-8917 ext. 6688, within 20 days if your records show any discrepancies with these determinations of violation.
